

You Don't Have to Overspend at the Dentist!

**NORTH TONAWANDA
FAMILY DENTISTRY**

What is the North Tonawanda Family Dentistry Savers Plan?

Our Savers Plan is an innovative dental discount plan that saves patients hundreds of dollars annually on dental fees.* Why keep the savings to yourself? You can save even more when you enroll multiple family members!

Who is the Savers Plan For?

The plan is for individuals or families who don't have dental insurance, but would like to save money on dental care.

How Much Does it Cost to be a Member of the Savers Plan?

Membership is \$99 annually for an individual or \$198 for an entire family (parents and all children under 18).

How Much Will I Save with this Plan?

Average savings are 25%! Please see the fees listed to the right. A molar root canal and a single filling, for example, would normally cost \$1,239. With the Savers Plan, you'd pay only \$929.

When Would My Benefits Begin?

Benefits begin immediately and last for an entire year.

Sounds Great! How Do I Sign Up?

Speak with our staff, and they will be happy to enroll you immediately! You can reach us at 716-692-2273.
